

Shri Mansukh Mandaviya participates in the Round-table of UNAIDS on the theme “Access for all: Leveraging Innovations, Investments and Partnerships for Health”

Innovative Technologies and Solutions can play a key role in bridging Economic Inequalities: Shri Mansukh Mandaviya

The Union Minister of State for Shipping (I/C) and Chemical & Fertilizers Shri Mansukh Mandaviya today participated in the High-level roundtable of UNAIDS (The Joint United Nations Programme on HIV/AIDS) on the theme **Access for all: Leveraging Innovations, Investments and Partnerships for Health** at World Economic Forum at Davos, Switzerland.

In a one-hour long discussion Shri Mandaviya stated that, “Health needs to be accessible for all and innovative technologies and solutions can play a key role, including in bridging economic inequalities”. Shri Mandaviya is on a Four-day official visit to Davos to attend World Economic Forum.

The Minister of State for Shipping (I/C) and Chemical & Fertilizers Shri Mansukh Mandaviya attended the High-level roundtable of UNAIDS (The Joint United Nations Programme on HIV/AIDS) at World Economic Forum at Davos, Switzerland today.

Shri Mansukh Mandaviya in the High-level roundtable discussed about what Government of India has done for Health Access to All in the leadership of Prime Minister Shri Narendra Modi. He mentioned various schemes initiated by Government of India for ‘Creating a Healthy India’. He deliberated about the Pradhan Mantri Jan Arogya Yojana (Ayushman Bharat) - the largest healthcare programme in the world and Pradhan Mantri Bhartiya Jan Aushadhi Pariyojana – to provide affordable quality medicines for all.
